Dear Ms. Standifer,

You have until Tuesday morning, September 4, 2018, 9:00 EST, to retract your complaint, with apology, after which I will initiate a series of legal actions against you, including defamation. Your complaints are utterly untethered from the facts and, indeed, are based on untruths that seem to have no other objective but to impugn my character. I have kept an extensive written and electronic record, which disprove your allegations and demonstrate a consistent pattern of unprofessional conduct on your part, beginning in your first year in the graduate program at Emory University and continuing until you ceased being my advisee.

Clifton Crais
